

MAN KI BAAT

We, at PYRAMID TECHNOPLAST are proud to fulfil the mission of Prime Minister, Government of India for his dream to come true by producing make - in - India product **Pyramid 1000 Ltrs Intermediate Bulk Container (IBC)**. The product is truly made in India to match the quality. construction and features has been made by some of the global leaders abroad.

We have been in the industry for manufacturing of Medium & Bulk packaging over 20 years now and has set a standards in the industry for our best quality, competitive pricing & best customer services so that the Indian Chemical industry gets fair priced products with best of the quality & services. This helped industry not to get exploited by highly priced products by few/single manufacturers. We thank all our customers and well-wishers for their support and making us one of the largest manufacturer of Medium & Bulk Packaging containers in the country.

Looking the same opportunity in the IBC business & to set the same standards, we launched **Pyramid make IBCs**, customers have delighted to have the world class product matching with global standards. Evaluating Pyramid IBC, they have found that the product has been far better in the terms of aesthetic appearance, galvanizing, construction & strength as compare to similar product available in market.

Worldwide collection service provider appreciated the quality and they found its design and specification as per international norms and easy to launder, clean, replaced and put into service, a product truly made India proud and customers delighted and welcomed whole heartedly.

Our Collection service partners not only give collection service but are also prompt in extending their services to end users queries related to usage, cleaning of these totes to the best of their ability.

Now with our introduction of IBC which was never promoted at competitive pricing to Indian Chemical industry, the IBC markets will grow as chemical exporter will be competitive in competing in global market

With every passing day customer reposing their faith and confidence as they found that not only the product is excellent but is fairly priced, dealing are transparent, no arm twisting and best of the service. We salute India chemical industry for choosing us as an ethical business partner in their growth.
